COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst."

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework.

I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it were off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly

believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.

I fattened up, and grew so much stronger in three months, I felt like another person altogether."

Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today.

FROM OTHER VIEWPOINTS.

"Never before in our history," says Colonel Roosevelt, "were so many people suffering from lack of employment through no fault of their own." We hope the Colonel is not knocking the 2,000,000 men who were thrown out of work by the Roosevelt panic of 1907-S.—New York World.

Should Governor Colquhitt realize his Senatorial ambitions he can line up with Messrs. Reed and Martine to complete the eternal triangle.—Washington Post.
